

DATA BANDS

The Last Router You Will Ever Need

All of our routers are module based. When you upgrade from 3G→4G or 4G→5G, just turn a few screws then insert the new module.

Get your Router in the Fast Lane!

With 4x the bands & 15x the speed, for less cost than the Other Guys.

WHAT IS THE BENEFIT OF MORE DATA BANDS?

More Bands = Less Congestion
Less Congestion = More Processing
